Subject: IAVerify Verified Product – Forerunner InForm Voice (IFV) Local Session Controller (LSC) Software version 11.0

The Forerunner Technologies IFV LSC has been validated against all applicable requirements in Reference (4). Each requirement has been sourced from the DoD CCI in References (1), (2), and (3). Details on all configurations and implementation can be obtained in the final Assessment Report. The IFV running software, version 11.0 meets all requirements, is in an excellent cybersecurity state, and is recommended for procurement.

Note: In June 2026, Forerunner IFV underwent a JITC Interoperability test. Cybersecurity details from this test were used in this evaluation.

Signed
